STATE CONTROLLER KIM WALLIN ANNOUNCES DEPARTURE OF DEPUTY CONTROLLER

Chief Deputy accepts position at Great Basin College

Carson City, NV. April 6, 2007. State Controller Kim Wallin announced today the planned departure of her Chief Deputy Controller C. William ("Bill") Reinhard. Mr. Reinhard has accepted a position with Great Basin College as Vice President for Administrative Services effective May 1st. "It is a sad day to see such a dedicated individual leave State service, but a happy day for Bill to be offered such a tremendous opportunity," Wallin said.

During his 26 years of state service Mr. Reinhard has served as Chief Deputy to four State Controllers and Administrative and Chief Financial Officer for the Secretary of State. While working full time he also received an MBA and a Ph.D in Political Science from UNR. "The Controller's Office loss is Great Basin College's gain because of the wealth of knowledge and experience Bill brings with him," said Wallin. "He has made my transition into this office a smooth one." Controller Wallin is in the process of selecting a new Chief Deputy and is expected to make an announcement shortly.

The responsibility of the State Controller's Office is to insure integrity, accountability and efficiency in the State's fiscal operations and to provide Nevada's Citizens with accurate and timely financial reporting. They also foster leadership and professional guidance in the area of State fiscal policy.
